IMAGINE NATION

"A Borderless Land for Peace"

On Earth, Jan.7, 2011

When in the Course of human events, that humankind with all its ingenuity is able to go to the moon and to send messages through the air at the speed of light, but for millenniums is unable to bring world peace, unable to feed millions that still die from hunger every year, and unable to save our planet from certain ecological disasters caused by human activities, it becomes necessary for the people of mother Earth to come together in unity to take drastic actions and think outside the box.

We the people of planet Earth hereby joyously declare the formation of **IMAGINE NATION**, a borderless nation based on the laws of peace and for the benefit of all the inhabitants of planet Earth. **IMAGINE NATION** hereby further adopts the **UNIVERSAL DECLARATION OF THE RIGHTS OF MOTHER EARTH**, the **UNIVERSAL DECLARATION OF HUMAN RIGHTS** and the **SACRED PRINCIPLES OF THE EARTH CONSTITUTION** as part of its constitution.

The people of the Earth have banded together for the common purpose of making the world a better place for ourselves, for our families, for our friends, and for all the inhabitants of planet Earth. We believe that we are all connected economically, socially, ecologically, and spiritually; we all breathe the same air and drink the same water, so the well being of mother Earth and its inhabitants benefit all of us in one way or another.

IMAGINE NATION is a borderless nation that exists everywhere on planet Earth and beyond. The new nation is not based on geo-political borders, but based on common shared values: of peaceful co-existence, the protection of Mother Earth for future generations and on a shared purpose to help one another. Anyone can become a citizen of IMAGINE NATION that shares the abovesaid values by simply signing up to become a citizen.

IMAGINE NATION declares that it will be issuing its own passports to citizens of the nation, which are mainly symbolic. Holders of the IMAGINE NATION passport will be able to travel to lands friendly to the nation, gain access to exclusive events and be endowed with VIP

citizen privileges; while other flags of the world are rectangular, our flag will be round in shape and green in color, which symbolizes a green Earth.

The principle meeting places for citizens of IMAGINE NATION's is in cyberspace via our social network (aka an Electronic Global Nation), and via live events.

IMAGINE NATION working in conjunction with its citizens, will empower and provide initiatives to help fellow citizens fulfil their full potential, to inspire fellow citizens to be ambassadors for peace, to encourage fellow citizens to help those in need and to unite people from different cultures to make the world a better place. Join IMAGINE NATION so the world will live as one:

*Imagine all the people
Sharing all the world
You may say that I'm a dreamer
But I'm not the only one
I hope someday you'll join us
And the world will live as one
John Lennon*

We hold these truths to be self-evident, that all the people of mother Earth are created equal, that they are endowed by their Creator with certain unalienable Rights, that among these are Life, Liberty, the pursuit of Happiness and the opportunity to fulfil their full Potential. We also acknowledge that in the exercise of this unalienable Rights, people and organizations should take great care in making sure these activities are sustainable and do not trump the rights of others in the process.

We believe that IMAGINE NATION is blessed by the Creator; we wish to be governed by Mother Nature, which will be its ruler. Since Mother Nature cannot speak for herself, we hereby symbolically appointed four guardian spirits to act as emissaries for IMAGINE NATION, which are the four Tamas: Peace-tama, Love-tama, Music-tama, and Earth-tama.

Let us all join hands to spread the message of peace and love across the world. Long live IMAGINE NATION!
